- Group 280 - Steering System
- Group 290 - CLIMATRAK System
- Group 300 - Separator System

Section 220 - ENGINE SYSTEM

- Group 05 - General Information
- Group 10 - Test Procedures and Adjustments
- Group 15A - Engine Type Identification
- Group 15B - Engine Diagnostics - Type A
- Group 15C - Engine Diagnostics - Type B
- Group 20 - Component Identification and Location

Section 230 - AIR INTAKE AND COOLING SYSTEMS

- Group 05 - General Information
- Group 10 - Test Procedures and Adjustments
- Group 15A - Engine Type Identification
- Group 15B - Air Intake System Diagnostics
- Group 15C - Engine Cooling Package Diagnostics - Type A
- Group 15D - Engine Cooling Package Diagnostics - Type B
- Group 20 - Component Identification and Location

Section 240 - ELECTRICAL SYSTEM

- Group 5 - General Information
- Group 10 - Diagnostic Trouble Codes
- Group 15A - Active Header Height Control System -Height Sensing Diagnostics
- Group 15B - Active Header Height Control System - Height Resume Diagnostics
