1. NOTE:

All quantities listed are for one side of the idler bracket assembly only.

TX1124309-UN: Plate (idler)

LEGEND:

1-Scribed Line

2-Plate

3-Track Grouser (block position)

With machine sitting on a flat concrete floor scribe a line (1) to mark the position of plate (2) on track frame as shown.

2. Drive crawler onto a wood block so the front idler is centered on top of the block.
3. Check the scribed line (1) position in relation to plate (2).
