### John Deere JD670 Motor Grader

**TM-1134**

**TO JOHN DEERE DEALERS**

**IMPORTANT: PLEASE REMOVE THIS PAGE AND ROUTE THROUGH YOUR SERVICE DEPARTMENT.**

This is a partial revision for TM-1134, JD670 Motor Grader. The new pages are dated (Jun-87). Listed below is a brief explanation of "WHAT" was changed and "WHY" it was changed.

This manual was revised to clarify installation of plates in C1 and C2 clutches. The flat plate must be installed against the piston. The wavy plates must be installed in pack so the punch marked side is installed alternately.
